

JAMF - Public and Official Visits

6014.1 VISIT LOCATIONS

This section covers the different types of visits: General, Official and In-Custody Visitation. Staff members assigned to Visiting/Attorney Bonds will read and understand evacuation procedures for the Visiting/Attorney Bonds area. For more specific and detailed information about visiting, refer to CCOM Section 1902 – Visiting.

(a) Public visits:

1. Public visits will be conducted utilizing video visitation technology.
2. Musick facility inmates may receive public visits utilizing the designated video visitation booths within the individual module visiting area.
3. Public visitors may choose to utilize the video visitation technology at the Musick Facility or use their own technology from an off-site location of their choosing.

(b) Official Visits:

1. Official visits will be conducted in Attorney Bonds. The video visitation booth located inside the individual module visiting area will not be used for official visits.
2. Upon notification of an official visit, a Deputy will escort the inmate to a designated visiting booth in the Attorney Bonds area.
3. Official visitor(s) will proceed to Attorney Bonds to conduct their visits in person.

6014.2 PROCEDURES

- (a) Upon arrival at the Musick Facility, all official visitors and public visitors may park in the designated parking stalls in the Visitor Parking Lot.
- (b) Prior to their visit, any official visitors or public visitors must first check in with security staff at the Visiting Lobby.
- (c) The Visiting Lobby Guard Station Member will enter the visit information in the JMS system.
- (d) Once the check-in process is completed, as stated in CCOM Section 1902.3 – Regular Visit Procedure, official visitor(s) will be designated to the Attorney Bonds Guard Station area while public visitor(s) will be designated to the video visitation technology area.
- (e) The visiting pass will automatically print in the module guard station where the inmate is housed.
- (f) The Attorney Bonds Guard Station Member will direct the visitor to the assigned booth.
- (g) There are a total of eight (8) enclosed, glass partitioned booths. Three (3) of the booths have an option for full contact. For further information on contact visits, refer to CCOM Section 1902.4 – Attorney, Bondsman and Official Visitors.
