

TLF - Recreation Deputy

7012.1 SUPERVISION AND SECURITY

- (a) The Recreation Deputies will provide supervision and security for barracks inmates recreating in the outdoor recreation field behind A/E Barracks. This area is commonly referred to as "Green Sector".
- (b) The Deputies will work with the Programs Coaches who provide various recreation activities.

7012.2 PROCEDURES

- (a) The Deputies will supervise all inmate movement to and from Green Sector.
- (b) Prior to inmates attending outdoor recreation, a security check of the field and fence line shall be conducted to maintain the integrity of security and thwarting any attempts of passing contraband. Inmates shall be searched before and after entering Green Sector.
- (c) The Recreation Deputies shall make a call to the designated housing areas, based on a pre-determined recreation schedule, to have the inmates "get on-line for outdoor recreation". The Housing Guard Station Deputies will then make an all call over the PA system to the inmates, and then respond to the Recreation Deputy with the number of inmates that will be attending.
