

ORANGE COUNTY SHERIFF'S DEPARTMENT

SHERIFF-CORONER DON BARNES

OFFICE OF THE SHERIFF

Dear Orange County residents,

We know this is an uncertain time for many in our community, but we want to assure you that the Sheriff's Department continues to serve vigilantly and with a deep commitment to the safety our community.

It is our foremost responsibility is to keep the community safe, while implementing measures to safeguard the health of the public, who rely on our service and the members of the department who respond to their call.

We are being proactive in limiting our actions to mission-critical activities at this unprecedented time. We will constantly reevaluate these measures and intend to return to full service as soon as it is reasonably safe.

These temporary changes are necessary, enabling us to provide those services that are critical to keep the community safe. We are here, and will continue to be here for you.
